PSYCHIATRIC
NEWS

BRIEF

Enable Psychiatric News Brief

With the American Psychiatric Association's new flash briefing, *Psychiatric News Brief*, you can now listen to synopses of curated articles from *Psychiatric News*. Simply enable this skill and you can listen anytime you choose throughout your day by just saying "Alexa, what's my flash briefing" or "Alexa, tell me what's new".

Flash briefing is a customizable Amazon skill that includes updates from your favorite content services. When you say, "Alexa, what's my flash briefing?" or "Alexa, what's the news," you'll hear updates from any organization that you have enabled.

Psychiatrist Inpatient/Outpatient WISCONSIN

HealthPartners Medical Group is a top Upper Midwest multispecialty physician practice based in Minnesota and western Wisconsin. Our award-winning Behavioral Health team is 25+ psychiatrists strong and focused in multidisciplinary inpatient and outpatient settings. Together with social workers, nurses, PAs, therapists and OTs, we provide exceptional care to our community and are dedicated to the health and well-being of our patients.

We have an exciting full-time opportunity for a talented and caring BC/BE Psychiatrist to join our group at the Amery Hospital & Clinic (AHC) in beautiful Amery, Wisconsin. This key position provides direct inpatient and outpatient care as part of our psychiatric treatment program at AHC and nearby care sites. Leadership and other practice growth opportunities are available.

AHC is a progressive western Wisconsin community hospital located about an hour east of the Minneapolis/St. Paul metropolitan area. The Amery community offers the variety of a larger city with a sense of hometown hospitality. With an excellent school system and abundant sporting/outdoor/recreational offerings, Amery is an ideal place to put down family and practice roots. For hospital and community information, visit www.amerymedicalcenter.org and www.amerywisconsin.org.

HealthPartners offers a competitive compensation and benefits package, paid malpractice coverage and a rewarding practice environment with support from our Twin Cities-based group. For consideration, please apply online at healthpartners.com/careers, forward your CV and cover letter to lori.m.fake@healthpartners.com, or call Lori at 800-472-4695 x1. EOE

ACCORDING TO ONE SURVEY,^a

~97%

OF ADULTS WHO MET DIAGNOSTIC CRITERIA FOR BINGE EATING DISORDER (BED) **DID NOT RECEIVE A FORMAL DIAGNOSIS¹**

WHY? Because **deep shame and guilt** causes them to hide their symptoms²—even from their psychiatrists. They need your help to open up about their binge eating and the impact it's having on their lives.

► **Learn more at BurdenofBED.com**
Start the BED conversation

^aFrom participants in the 2012 and 2013 National Health and Wellness Survey, 3% of respondents (11/344) who reported symptoms within the last 12 months that were consistent with DSM-5[®] criteria for BED had ever received a formal diagnosis.¹
