Competency in Combining Pharmacotherapy and Psychotherapy Integrated and Split Treatment, Second Edition

Core Competencies in Psychotherapy

Michelle B. Riba, M.D., M.S., Richard Balon, M.D.,
and Laura Weiss Roberts, M.D., M.A.

Series Editor: Glen O. Gabbard, M.D.

This book is designed to help psychiatrists at any stage of their career achieve competency in combining and coordinating pharmacotherapeutic and psychotherapeutic treatments for the benefit of their patients.

This second edition, addresses both integrated (single clinician) and split/collaborative (multiple clinicians) treatments, discussing for each:

- The selection of medication and psychotherapy
- The patient evaluation and opening
- Sequencing
- Evaluating, monitoring, and supervising treatment
- Terminating and transitioning patient care

The book also offers a chapter—new to this second edition—that focuses on primary care access for mental health services in the context of integrated and split/collaborative care.

ACOS Behavioral Health VA Pittsburgh Healthcare System

VA Pittsburgh Healthcare System (VAPHS) seeks a proven clinical leader in behavioral health to serve as its Associate Chief of Staff (ACOS) for Behavioral Health. The Behavioral Health ACOS serves a major leadership role within VAPHS, with responsibility for oversight of the quality and programmatic development of behavioral health clinical care, investigation and education, to include training medical students, residents and other trainees. The position offers extensive opportunities to foster and participate in collaborative initiatives between VAPHS and its academic affiliates to advance clinical care of Veterans with behavioral health disorders. Joint appointment at the University of Pittsburgh is available and desirable. The successful candidate has an established track record as a clinical leader in behavioral health and experience in medical education and research. The position is open to physicians and psychologists with expertise in all three of those areas.

VAPHS is a 1A high complexity, tertiary-care Department of Veterans Affairs' facility composed of two main medical campuses, five outpatient clinics and three Veterans Outreach Centers. It provides 152,000 enrolled Veterans in Pennsylvania, Ohio and West Virginia with a full range of patient-care services in medicine, surgery, psychiatry, physical medicine and rehabilitation, neurology, oncology, dentistry, geriatrics and extended care. Its Behavioral Health service line is staffed by over 100 behavioral health providers, operates a 78-bed inpatient behavioral health facility and conducts over 100,000 outpatient visits annually.

Address inquiries about the position to Steven Graham M.D., PhD (steven.graham@va.gov), Chairperson, Search Committee. Vacancy announcements are posted on USAJobs – <https://www.usajobs.gov/>.

VAPHS is an Equal Opportunity Employer.

Call for Nominations

The Institute of Living/Hartford Hospital is pleased to announce that nominations are now being accepted for the 2019 C. Charles Burlingame Award. This award, honoring an outstanding leader in psychiatric education, research or administration, is made in the memory of Dr. Burlingame, psychiatrist-in-chief from 1931 to 1950.

We invite you to nominate a person who has significantly advanced the field of psychiatry. The nomination must include a current curriculum vitae and two letters of support describing the candidate's achievements.

The Institute of Living is a comprehensive behavioral health system for the evaluation and treatment of psychiatric and addiction disorders. We offer a full continuum of services to patients and remain committed to the highest standards of clinical care, research and education.

Department of Psychiatry

With the continued growth of our Department of Psychiatry and our New General Psychiatry Residency Programs at Ocean Medical Center and Jersey Shore University Medical Center our vision for Behavioral Health is Bright.

Hackensack Meridian Health is a leading not-for-profit health care network in New Jersey offering a complete range of medical services, innovative research, and life enhancing care aiming to serve as a national model for changing and simplifying health care delivery through partnerships with innovative companies and focusing on quality and safety.

Through a partnership between Hackensack Meridian Health and Seton Hall University, the School of Medicine will re-define graduate medical education, research, and clinical practice; reverse the critical physician shortage in both the New York/New Jersey metropolitan area and the nation; and stimulate economic development in northern New Jersey.

The School of Medicine will be the anchor in the development of a comprehensive health sciences campus that will also include research facilities and biotechnology endeavors – all in service of educating tomorrow's doctors, discovering novel therapies, and facilitating compassionate and effective healthcare that will meet the ever-changing needs of tomorrow's patients.

The School of Medicine will be the cornerstone of a dynamic venue for the exchange of ideas, the development of healthcare and research thought leaders and practitioners, and the discovery of novel therapies to meet the medical challenges of the future.

"Ocean Medical Center's psychiatry program will be a community-based program," said Ramon Solkhah, M.D., program director for psychiatry as well as founding Chair of Psychiatry & Behavioral Health at the Hackensack Meridian School of Medicine at Seton Hall University. "Our new psychiatry residency program will improve clinical care and ultimately encourage future health care leaders to build practices in the Jersey Shore area."

As the area's premier provider of psychiatric services, **Hackensack Meridian Behavioral Health Services** has provided comprehensive mental health and substance abuse services to the residents of Monmouth, Ocean, Middlesex, and Bergen Counties for over forty years. Due to continued growth and expansion, we are currently accepting applications for Psychiatrists to join our Mental Health and Addiction Interdisciplinary Teams in the following positions:

- **Consultation Liaison Psychiatrists:** Jersey Shore University Medical Center (Neptune, NJ) and Riverview Medical Center (Red Bank, NJ) And Hackensack University Medical Center (Hackensack, NJ)
