The 2023 Mental Health Services Conference will bring psychiatrists and mental health professionals together to collaborate on practical advice to influence systems-level change for their patients. Held in-person in Washington, D.C. at the Capital Hilton Hotel, join us October 12 through 14 as we work together to develop interdisciplinary practical solutions to solve real-world issues.

Not only will you network with psychiatrists looking to encourage change, but the Mental Health Services Conference will be attended by professionals throughout the mental health care field including primary care physicians, nurse practitioners, social workers, and more.

Join us in person to:

- Recognize and improve mental health disparities in the community
- Provide culturally competent care for diverse populations
- Identify barriers to care, including health service delivery issues
- Practical Psychopharmacology and Addictions updates
- Leadership Track
- Training in behavioral management and de-escalation
- Media Training
- And much, much more

### **Must Psilocybin Always “Assist Psychotherapy”?**

The authors discuss key aspects of psychedelic medications, including their use in tandem with psychological interventions. They review the state of the art and highlight major questions that must be addressed before broader use of the medications can be considered.

## AJP Audio and Video

Dr. Luis C. Farhat and Dr. Guilherme V. Polanczyk join AJP Audio to discuss how neurodevelopmental traits, socioenvironmental factors, and emotional dysregulation interact in childhood development (p. 755).

In an issue highlights video, AJP Deputy Editor Danny Pine discusses “Genetic Contribution to the Heterogeneity of Major Depressive Disorder: Evidence From a Sibling-Based Design Using Swedish National Registers” (Nguyen et al., p. 714) and “Maternal Perinatal Stress Trajectories and Negative Affect and Amygdala Development in Offspring” (Marr et al., p. 766)

## AJP CME

You can earn CME credits by reading articles in *The American Journal of Psychiatry*. Three articles in this issue form a short course that consists of reading the article and answering three multiple-choice questions with a single correct answer for up to 1 AMA PRA Category 1 Credit™ each. Credit is issued only to subscribers of the online AJP CME Course Program.

See the list below for articles in this month’s issue that are the subject of a CME quiz.

## Assistant/Associate/Professor of Clinical Pediatrics /Physician Surgeon/Psychiatry

**Hiring Department:** Pediatrics

**Location:** Peoria, IL USA

**Requisition ID:** 1020638

**Posting Close Date:** 11/16/2023

The University of Illinois College of Medicine at Peoria (UICOMP) seeks physicians for positions at the level of Professor, Associate Professor or Assistant Professor to enhance an important clinical program.

Pediatric Psychiatrist positions require candidates who are BC in Psychiatry and have completed 4 years in residency and 2 years in fellowship training in Pediatric Psychiatry. Candidates with scholarly and research interests are highly desirable, along with experience in teaching medical students and residents.

UICOMP is one of the regional campuses that make up the nation's largest public medical school. The Peoria campus is known among students for its small class sizes, rigorous curriculum and hands-on clerkships; to residents and fellows for the strong academic setting, large referral base and exceptional facilities; and by physicians seeking the ideal combination of teaching and practicing medicine in a research-based university setting.

UICOMP's main clinical partner is OSF Healthcare Children's Hospital of Illinois, a 136-bed, full-service hospital, with physicians in more than 140 subspecialties. Located on the campus of OSF St. Francis Medical Center, it's the pediatric teaching affiliate of UICOMP, the state's only major pediatric teaching hospital outside Chicago—and home to groundbreaking pediatric research in medicine. The hospital is also proud to house the St. Jude Midwest Affiliate, which brings some of the care and services offered by St. Jude in Memphis to central Illinois.

Malpractice insurance is provided by the University of Illinois system and an excellent benefits package is available including vacations, sick time, CME, health and life insurance and retirement plan.

# CEO/Medical Director Search

APA seeks a dynamic, strategic leader to serve as the organization's next **Chief Executive Officer and Medical Director**.

The CEO and Medical Director of APA will serve as a national leader for the psychiatric profession at a key moment when the field is in a time of flux. The successful candidate will inherit a strong organization that is well positioned to meet the challenges facing the profession of psychiatry and will leverage APA's role as a convener to provide forums for discussion and idea sharing to meet these challenges.

The next CEO and Medical Director should be a dynamic leader who can work with various constituents, including the Board, staff, and members, to develop and implement a transformational strategy that meets the needs of its members and the moment in time for the profession.

The Board has appointed a search committee and retained Heidrick & Struggles to lead the search for APA's next CEO.

The full position specification, with a full list of responsibilities and criteria for the next CEO and Medical Director, can be found on **APA's website**.

Initial screening of applicants will begin immediately and continue until the position is filled.

**Nominations and applications should be directed to  
[APACEO@heidrick.com](mailto:APACEO@heidrick.com)**

*The APA will not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex (including sexual orientation, gender identity, and pregnancy), national origin, age (40 and older), disability, marital status, and genetic information in accordance with applicable federal, state, or local law.*

*All APA employees are required to be fully vaccinated against COVID-19 with a vaccine approved or authorized by the World Health Organization or U.S. Food and Drug Administration. Proof of vaccination, or having an accommodation request approved by APA, is required.*
